Graduates go... ...GREEN!

The senior class officers: Becca Esterline, Autumn Beachy, Megan Thwaites, Meghan Summers, and Shaye Fifer spread the news about the biodegradable gowns in The Evening Star on Earth Day.

Because the 2010 DeKalb High School senior class is the first in Northeast Indiana to make the decision to go "green," the whole school should be very proud. This graduation, students strayed from the ordinary gowns to biodegradable gowns made with earth-friendly materials from renewable, managed forests and Eco-Zip zippers. The gowns decompose in soil completely within one year, and even the plastic gown packaging is environmentally friendly. But, by purchasing the gowns, the seniors are going beyond just selecting biodegradable outfits. Jostens has promised to donate $2 to an environmental sustainability project for every gown purchased. So, in a graduating class, who purchased 275 gowns, $550 will improve the environment!

DeKalb High School FFA 2010

Driven by the Blue
Guided by the Gold

The DeKalb FFA chapter traveled to Harrison High School on Saturday, January 30th to compete in the Agricultural Sales Career Development Contest. The Ag Sales contest enables FFA members to practice the skill of salesmanship involving a spectrum of agricultural sales activities. The contest consists of four parts. Members are required to take a written test on the knowledge pertaining to sales, present a team marketing plan/sales call to judges, present an unknown spectrum to judges, and make an individual sales call to judges on an agricultural product of their choice. This year the DeKalb FFA Chapter took one team to the contest, and placed as the state champion team. ***Coach Ron Hefty*** said, "I knew this team was an all-star team from the get-go. It's always great to see the students' hard work pay off." This team consisted of **Amber Shipe, Kayleigh Warner, Tracey Clifford**, and **Lauren Koeppe**. Advisor Mr. Dice says, "This is a great team and I have high expectations for them at Nationals this fall." Individually, Amber Shipe won the contest, Kayleigh Warner was third, Tracey Clifford was fifth, and Lauren Koeppe was ninth. Team member ***Tracey Clifford*** says, "I really enjoyed competing in this contest as well as with these girls, and I can't wait to do it again this fall." These individuals will receive the honor of competing in the National FFA Convention of Indianapolis in October.

Where's the Kangaroo? The 2nd week I got here Brice Schlosser told me he had a kangaroo as a pet and I didn't believe him. Everyone convinced me that he had one, so I believed him. I was super excited. I thought that kangaroos were only in the zoo, but now, I get to see one up close. It turned out to be a joke, so I was disappointed. They told me they would take me to his house , in September, and Brice would dress up as one and then jump out at me. What a surprise! <---- Best Memory at DeKalb

It's not just any sport, it's not just throwing a ball, hitting and running. I live with the cheering of my players while I'm up to bat. I live with the red stitches of the softball rubbing against my fingers when I snap my wrist and let it fly. I live with mistakes every day in it, and I live learning them. I live on the pitchers mound where I need complete confidence in my self. I live with snapping my wrist to the catcher and getting the batter out, a perfect strike. I live not only for my teammates, but for my self. I live for fastpitch softball. - K.M., pitcher

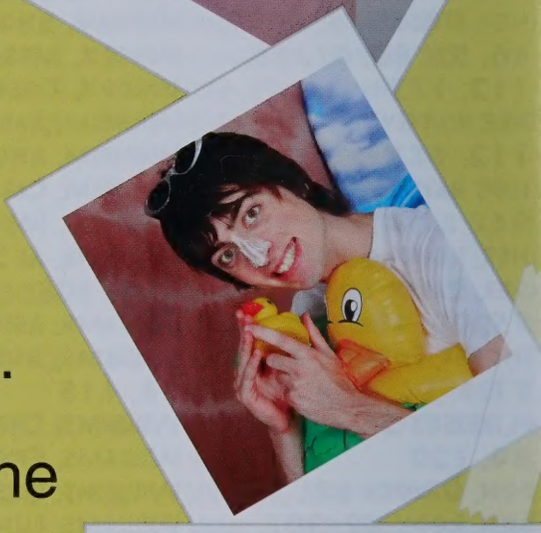
The Saber Staff would like to extend a

HUGE thank you

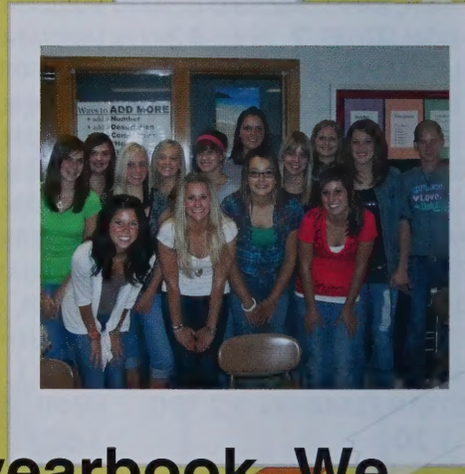
to Mrs. Rohm, for being an awesome advisor, and guiding the staff so everything goes as smoothly as possible...

to Mark Childs, the Saber Staff's Jostens representative, for his good advice...



to everyone who contributed photos, especially Becky Smith...

to Cyrus Bowman who created the cover for the 2010 Saber...



and to the businesses who supported the yearbook because it could not be done without them.

Finally, thank you for purchasing a yearbook. We do extend our deepest apologies to anyone whose name is spelled incorrectly, or for any errors that were made. The Saber Staff put lots of work into the publication of this book, and hope that you enjoy it for many years to come!
